### **Dividend Declaration for 2015**

On November 4, 2015, GSV Capital's Board of Directors declared a distribution in the amount of \$2.76 per share payable on December 31, 2015 to the Company's common stockholders of record as of the close of business on November 16, 2015. The dividend will be paid in cash or shares of the Company's common stock at the election of the stockholders, although the total amount of cash to be distributed to all stockholders will be limited to approximately 50% of the total dividend to be paid to all stockholders; provided, however, that in no event will the Company distribute less than 20% of the total dividend in cash. The remainder of the dividend (approximately 50%) will be paid in the form of shares of the Company's common stock.

In the event that the amount of cash to be distributed to all stockholders electing to receive the dividend in cash would exceed 50% of the total dividend, each stockholder electing to receive cash will receive a pro rata portion of the total cash to be distributed based on the number of shares held by each such stockholder. The remainder of the dividend in excess of a stockholder's pro rata share of the total amount of cash to be distributed will be paid in the form of shares of the Company's common stock. The number of shares of the Company's common stock to be issued to stockholders receiving all or a portion of the dividend in shares of common stock will be based on the volume weighted average price per share of GSV Capital's common stock on the Nasdaq Capital Market on December 28, 29 and 30, 2015.

The Company will mail an election form to receive cash or common stock only to registered stockholders promptly after the November 16, 2015 record date. Registered stockholders are those stockholders who own their stock directly and not through a bank, broker or nominee. The completed election form must be received by GSV Capital's transfer agent, American Stock Transfer & Trust Company, LLC, prior to 5:00 p.m. ET on December 18, 2015. Registered stockholders with questions regarding the dividend may call American Stock Transfer at 800-937-5449. Registered stockholders who do not make an election will be deemed to have elected to receive 100% of their dividend in common stock.

Stockholders who hold their shares through a bank, broker or nominee will not receive an election form from the Company and should contact their bank, broker or nominee for instructions on how to make an election.

Regardless of whether a stockholder receives the dividend in cash, stock, or some combination of cash and stock, the entire amount of this dividend will be fully taxable to stockholders, and GSV Capital will report the actual tax characteristics of each year's dividends annually to stockholders and the IRS on Form 1099-DIV.

- (1) Based on weighted average number of shares outstanding for the year/period.
- (2) Total return based on market value is based on the change in market price per share between the opening and ending market values per share in the period. Total return based on net asset value is based upon the change in net asset value per share between the opening and ending net asset values per share.
- (3) Financial Highlights for periods of less than one year are annualized and the ratios of operating expenses to average net assets and net investment loss to average net assets are adjusted accordingly. Non-recurring expenses are not annualized. For the three and nine months ended September 30, 2015 and 2014, the Company did not incur any non-recurring expenses. Because the ratios are calculated for the Company's common stock taken as a whole, an individual investor's ratios may vary from these ratios.
