This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of GSV Capital Corp. (the "Company," "GSV Capital," "we," "us" or "our") for use at the Company's 2012 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 5, 2012 at 2:00 p.m., Pacific Time, at the Stanford Park Hotel, 100 El Camino Real, Menlo Park, California 94025, and at any postponements or adjournments thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011 are first being sent to stockholders on or about April 27, 2012.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card, or otherwise provide voting instructions, either via the internet or by telephone, and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of the nominees as directors and FOR the other matters listed in the accompanying Notice of Annual Meeting of Stockholders.**

If you are a "stockholder of record" (*i.e.*, you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by notifying the proxy tabulator, Broadridge Financial Solutions, Inc. ("Broadridge"), in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Annual Meeting. Please send any such notice of revocation to GSV Capital Corp., c/o Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717. Any stockholder of record attending the Annual Meeting may vote in person whether or not he or she has previously voted his or her shares. If your shares are held for your account by a broker, bank or other institution or nominee ("Broker Shares"), you may vote such shares at the Annual Meeting only if you obtain proper written authority from your institution or nominee and present it at the Annual Meeting. All of our directors are encouraged to attend the Annual Meeting.

Stockholders of record may also vote either via the internet or by telephone. Specific instructions to be followed by stockholders of record interested in voting via the internet or the telephone are shown on the enclosed proxy card. The internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded.

Purpose of Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two directors of the Company, each of whom will serve for a term of three years, or until their respective successor is duly elected and qualified;
2. To ratify the selection of Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2012; and
3. To transact such other business as may properly come before the meeting.

Voting Securities

You may vote your shares, in person or by proxy, at the Annual Meeting only if you were a stockholder of record at the close of business on April 16, 2012 (the "Record Date"). On the Record Date, there were 12,420,100 shares of the Company's common stock outstanding. Each share of common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of the Company's common stock outstanding on the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Broker Shares for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered "Broker Non-Votes" with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. The election of a director requires the affirmative vote of a plurality of the votes cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the appointment of Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012. Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there are not enough votes to approve any proposals at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against the proposal for which an adjournment is sought, to permit the further solicitation of proxies. Also, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval thereof.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mails, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of the Company, its investment adviser and its administrator, in each case without special compensation therefor. Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised.

Any such notice of revocation should be provided in writing, signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Director Independence

In accordance with rules of the NASDAQ Stock Market, our Board of Directors annually determines each director’s independence. We do not consider a director independent unless the Board of Directors has determined that he or she has no material relationship with us. We monitor the relationships of our directors and officers through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

In order to evaluate the materiality of any such relationship, the Board of Directors uses the definition of director independence set forth in the rules promulgated by the NASDAQ Stock Market. The applicable NASDAQ Stock Market rules provide that a director of a business development company (“BDC”) shall be considered to be independent if he or she is not an “interested person” of GSV Capital, as defined in Section 2(a)(19) of the 1940 Act.

The Board of Directors has determined that each of the directors is independent and has no relationship with us, except as a director and stockholder, with the exception of Michael T. Moe, due to his positions as president and chief executive officer of GSV Capital and as a principal of and the chief investment officer for GSV Asset Management, and Mark D. Klein, due to his financial relationship as a consultant with GSV Asset Management.

Board Leadership Structure

Our Board of Directors monitors and performs an oversight role with respect to the business and affairs of GSV Capital, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to GSV Capital. Among other things, our Board of Directors approves the appointment of our investment adviser and officers, reviews and monitors the services and activities performed by our investment adviser and executive officers and approves the engagement, and reviews the performance of, our independent public accounting firm.

Under GSV Capital’s bylaws, our Board of Directors may designate a chairman to preside over the meetings of the Board of Directors and meetings of the stockholders and to perform such other duties as may be assigned to him by the board. We do not have a fixed policy as to whether the chairman of the board should be an independent director and believe that we should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of GSV Capital and its stockholders at such times.

Presently, Mr. Moe serves as the chairman of our Board of Directors. Mr. Moe is an “interested person” of GSV Capital as defined in Section 2(a)(19) of the 1940 Act because he is the president and chief executive officer of GSV Capital and a principal of and the chief investment officer for GSV Asset Management. Mr. Moe’s history with the GSV Asset Management, familiarity with GSV Asset Management’s investment platform, and extensive knowledge of the financial services industry and the investment valuation process in particular qualify him to serve as the chairman of our Board of Directors. Our view is that GSV Capital is best served through this existing leadership structure, as Mr. Moe’s relationship with GSV Capital’s investment adviser provides an effective bridge and encourages an open dialogue between management and the Board of Directors, ensuring that both groups act with a common purpose.

Our Board of Directors does not currently have a designated lead independent director. We are aware of the potential conflicts that may arise when a non-independent director is chairman of the board, but believe these potential conflicts are offset by our strong corporate governance policies. Our corporate governance policies include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of audit, valuation and nominating and corporate governance committees comprised solely of independent directors and the appointment of a chief compliance officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering our compliance policies and procedures.

We recognize that different board leadership structures are appropriate for companies in different situations. We intend to re-examine our corporate governance policies on an ongoing basis to ensure that they continue to meet GSV Capital’s needs.

Board’s Role In Risk Oversight

Our Board of Directors performs its risk oversight function primarily through (a) its three standing committees, which report to the entire Board of Directors and are comprised solely of independent directors, and (b) active monitoring of our chief compliance officer and our compliance policies and procedures.

As described below in more detail under “Committees of the Board of Directors,” the audit committee, nominating and corporate governance committee and valuation committee assist the Board of Directors in fulfilling its risk oversight responsibilities. The audit committee’s risk oversight responsibilities include overseeing GSV Capital’s accounting and financial reporting processes, GSV Capital’s systems of internal controls regarding finance and accounting, and audits of GSV Capital’s financial statements. The nominating and corporate governance committee’s risk oversight responsibilities include selecting, researching and nominating directors for election by our stockholders, developing and recommending to the board a set of corporate governance principles and overseeing the evaluation of the board and our management. The valuation committee’s risk oversight responsibilities include establishing guidelines and making recommendations to our Board of Directors regarding the valuation of our investments.

Our Board of Directors also performs its risk oversight responsibilities with the assistance of the chief compliance officer. The Board of Directors will annually review a written report from the chief compliance officer discussing the adequacy and effectiveness of the compliance policies and procedures of GSV Capital and its service providers. The chief compliance officer's annual report will address, at a minimum, (a) the operation of the compliance policies and procedures of GSV Capital and its service providers since the last report; (b) any material changes to such policies and procedures since the last report; (c) any recommendations for material changes to such policies and procedures as a result of the chief compliance officer's annual review; and (d) any compliance matter that has occurred since the date of the last report about which the Board of Directors would reasonably need to know to oversee our compliance activities and risks. In addition, the chief compliance officer will meet separately in executive session with the independent directors at least once each year.

Our board's role in risk oversight is effective, and appropriate given the extensive regulation to which we are already subject as a business development company. As a business development company, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, our ability to incur indebtedness is limited such that our asset coverage must equal at least 200% immediately after each time we incur indebtedness, we generally have to invest at least 70% of our gross assets in "qualifying assets" and we are not generally permitted to invest in any portfolio company in which one of our affiliates currently has an investment.

We recognize that different board roles in risk oversight are appropriate for companies in different situations. We intend to re-examine the manners in which the board administers its oversight function on an ongoing basis to ensure that they continue to meet GSV Capital's needs.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, Nominating and Corporate Governance Committee and a Valuation Committee. During 2011, our Board of Directors held five Board meetings, three Audit Committee meetings, two Valuation Committee meetings and no Nominating and Corporate Governance Meetings. All directors attended at least 75% of the aggregate number of meetings of our Board of Directors and of the respective committees on which they served. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each annual meeting of stockholders.

Audit Committee

The audit committee operates pursuant to a charter approved by our Board of Directors, which sets forth the responsibilities of the audit committee. The audit committee's responsibilities include selecting the independent registered public accounting firm for GSV Capital, reviewing with such independent registered public accounting firm the planning, scope and results of their audit of GSV Capital's financial statements, pre-approving the fees for services performed, reviewing with the independent registered public accounting firm the adequacy of internal control systems, reviewing GSV Capital's annual financial statements and periodic filings and receiving GSV Capital's audit reports and financial statements. The audit committee is currently composed of Messrs. Potter, Flynn and Spreng, all of whom are considered independent under the rules of the NASDAQ Capital Market and are not "interested persons" of GSV Capital as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Flynn serves as chairman of the audit committee. Our Board of Directors has determined that Mr. Flynn is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K, as promulgated under the Exchange Act. Mr. Flynn meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee operates pursuant to a charter approved by our Board of Directors. The members of the nominating and corporate governance committee are Messrs. Potter, Flynn and Spreng, all of whom are considered independent under the rules of the NASDAQ Capital Market and are not "interested persons" of GSV Capital as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Potter serves as chairman of the nominating and corporate governance committee. The nominating and corporate governance committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board of Directors or a committee thereof, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of the Board of Directors and our management. The nominating and corporate governance committee currently does not consider nominees recommended by our stockholders.

The nominating and corporate governance committee seeks candidates who possess the background, skills and expertise to make a significant contribution to the Board of Directors, GSV Capital and its stockholders. In considering possible candidates for election as a director, the nominating committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of GSV;
- are able to work with the other members of the Board of Directors and contribute to the success of GSV Capital;
- can represent the long-term interests of GSV Capital's stockholders as a whole; and
- are selected such that the Board of Directors represents a range of backgrounds and experience.

The nominating and corporate governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nominating and corporate governance committee considers and discusses diversity, among other factors, with a view toward the needs of the Board of Directors as a whole. The nominating and corporate governance committee generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board of Directors, when identifying and recommending director nominees. The nominating and corporate governance committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the nominating and corporate governance committee's goal of creating a Board of Directors that best serves the needs of GSV Capital and the interests of its shareholders.

Valuation Committee

The valuation committee establishes guidelines and makes recommendations to our Board of Directors regarding the valuation of our investments. The Board of Directors and valuation committee utilize the services of nationally recognized third-party valuation firms to help determine the fair value of our securities that are not publicly traded and for which there are no readily available market quotations including securities, that while listed on a private securities exchange, have not actively traded. The valuation committee is presently composed of Messrs. Potter, Flynn and Spreng, all of whom are considered independent under the rules of the NASDAQ Capital Market and are not "interested persons" of GSV Capital as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Spreng serves as chairman of the valuation committee.

Compensation Committee

We do not have a compensation committee because our executive officers do not receive any direct compensation from us.

Communication with the Board of Directors

Stockholders with questions about the Company are encouraged to contact the Company's Investor Relations Department. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company's Board of Directors by sending their communications to GSV Capital Corp., c/o Stephen D. Bard, Corporate Secretary, 2965 Woodside Road, Woodside, CA 94062. All stockholder communications received in this manner will be delivered to one or more members of the Board of Directors, as appropriate.

Code of Ethics

The Company has adopted a Code of Ethics which applies to, among others, its senior officers, including its chief executive officer and its chief financial officer, as well as every officer, director and employee of the Company. The Company's Code of Ethics can be accessed via its website at <http://www.gsvcap.com>. The Company intends to disclose amendments to or waivers from a required provision of the Code of Ethics on Form 8-K.

Compensation of Directors

The following table sets forth compensation of the Company's directors for the year ended December 31, 2011.

Name	Fees Earned or Paid in Cash ⁽¹⁾	All Other Compensation ⁽²⁾	Total
Interested Directors			
Michael T. Moe	—	—	—
Mark D. Klein	—	—	—
Independent Directors			
Leonard A. Potter	\$ 41,250	—	\$41,250
Mark W. Flynn	\$ 45,000	—	\$45,000
R. David Spreng	\$ 41,250	—	\$41,250

(1) For a discussion of the independent directors' compensation, see below.

(2) We do not maintain a stock or option plan, non-equity incentive plan or pension plan for our directors.

Our independent directors currently receive an annual fee of \$80,000. They also receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board and committee meeting attended in person. In addition, the chairman of the audit committee receives an annual fee of \$10,000 and each chairman of any other committee receives an annual fee of \$5,000 for their additional services, if any, in these capacities. No compensation is paid to directors who are "interested persons" of GSV Capital, as such term is defined in Section 2(a)(19) of the 1940 Act.

Compensation of Chief Executive Officer and Other Executive Officers

None of our officers receive direct compensation from the GSV Capital. Messrs. Moe, Bard and Pampoulov, through their financial interests in GSV Asset Management, are entitled to a portion of any profits earned by GSV Asset Management, which includes any fees payable to GSV Asset Management under the terms of the Investment Advisory Agreement by and between the Company and GSV Asset Management (the "Investment Advisory Agreement"), less expenses incurred by GSV Asset Management in performing its services under the Investment Advisory Agreement.

The compensation of our finance, compliance, operations and administrative staff is paid by our administrator, GSV Capital Service Company, subject to reimbursement by us of an allocable portion of such compensation for services rendered to GSV Capital. During 2011, we reimbursed GSV Capital Service Company approximately \$230,000 for the allocable portion of compensation expenses incurred by GSV Capital Service Company on our behalf for our finance, compliance, operations and administrative staff, pursuant to our administration agreement with GSV Capital Service Company (the "Administration Agreement").

Related Party Transactions and Certain Relationships

We have entered into an Investment Advisory Agreement with GSV Asset Management. GSV Asset Management is controlled by Michael T. Moe, our president, chief executive officer and chairman of our Board of Directors, Stephen D. Bard, our chief financial officer, chief compliance officer, treasurer and corporate secretary, and Luben Pampoulov, our vice-president. Messrs. Moe, Bard and Pampoulov, as principals of GSV Asset Management, collectively manage the business and internal affairs of GSV Asset Management. Mr. Klein or entities he controls may receive fees from GSV Asset Management in connection with the Company's future offerings and, from time to time, subsequent thereto for non-investment advisory services he may provide. In addition, GSV Capital Service Company provides us with office facilities and administrative services pursuant to an Administration Agreement. Mr. Moe is the managing member of and controls GSV Capital Service Company. While there is no limit on the total amount of expenses we may be required to reimburse to GSV Capital Service Company, our administrator will only charge us for the actual expenses it incurs on our behalf, or our allocable portion thereof, without any profit to GSV Capital Service Company.

In addition, our executive officers and directors, and the principals of our investment adviser, GSV Asset Management, serve or may serve as officers and directors of entities that operate in a line of business similar to our own, including new entities that may be formed in the future. Accordingly, they may have obligations to investors in those entities, the fulfillment of which might not be in the best interests of us or our stockholders. For example, GSV Asset Management currently manages GSV X Fund, a global long/short absolute return fund.

While the investment focus of each of these entities tends to be different from our investment objective, it is possible that new investment opportunities that meet our investment objective may come to the attention of one of these entities, or new entities that may be formed in the future in connection with another investment advisory client or program, and, if so, such opportunity might not be offered, or otherwise made available, to us. However, our executive officers, directors and investment adviser intend to treat us in a fair and equitable manner consistent with their applicable duties under law so that we will not be disadvantaged in relation to any other particular client. In addition, GSV Asset Management does not anticipate that it will ordinarily identify investment opportunities that are appropriate for both GSV Capital and the other funds that are currently or in the future may be managed by GSV Asset Management. However, to the extent it does identify such opportunities, GSV Asset Management will allocate such opportunities between GSV Capital and such other funds pursuant to an established procedure that is designed to ensure that such allocation is fair and equitable. Our Board of Directors will monitor on a quarterly basis any such allocation of investment opportunities between GSV Capital and any such other funds.

GSV Asset Management is the owner of the "GSV" name and marks, which we are permitted to use pursuant to a non-exclusive license agreement between us and GSV Asset Management. GSV Asset Management and its principals also use and may permit other entities to use the "GSV" name and marks in connection with businesses and activities unrelated to our operations. The use of the "GSV" name and marks in connection with businesses and activities unrelated to our operations may not be in the best interest of us or our stockholder and may result in actual or perceived conflicts of interest.

In the ordinary course of business, we may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with us, we have implemented certain written policies and procedures whereby our executive officers screen each of our transactions for any possible affiliations between the proposed portfolio investment, us, companies controlled by us and our executive officers and directors. We will not enter into any agreements unless and until we are satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, we have taken appropriate actions to seek board review and approval or exemptive relief for such transaction. Our Board of Directors will review these procedures on an annual basis.

We have also adopted a Code of Ethics which applies to, among others, our senior officers, including our chief executive officer and chief financial officer, as well as all of our officers, directors and employees. Our officers and directors also remain subject to the fiduciary obligations imposed by both the 1940 Act and applicable state corporate law. Our Code of Ethics requires that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual's personal interests and our interests. Pursuant to our Code of Ethics, each employee and director must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to our chief compliance officer. Our Board of Directors is charged with approving any waivers under our Code of Ethics. As required by the NASDAQ corporate governance listing standards, the Audit Committee of our Board of Directors is also required to review and approve any transactions with related parties (as such term is defined in Item 404 of Regulation S-K).

Finally, we pay GSV Capital Service Company our allocable portion of overhead and other expenses incurred by GSV Capital Service Company in performing its obligations under the Administration Agreement, including a portion of the rent and the compensation of our finance, compliance, operations and administrative staff, which creates conflicts of interest that our Board of Directors must monitor.

Board Consideration of the Investment Advisory and Management Agreement

Our Board of Directors determined at a meeting held on March 28, 2011 to the Investment Advisory Agreement. In its consideration of the approval of the Investment Advisory Agreement, the Board of Directors focused on information it had received relating to, among other things:

- the nature, quality and extent of the advisory and other services to be provided to us by GSV Asset Management;
- comparative data with respect to advisory fees or similar expenses paid by other business development companies with similar investment objectives;
- our projected operating expenses and expense ratio compared to business development companies with similar investment objectives;
- any existing and potential sources of indirect income to GSV Asset Management or GSV Capital Service Company from their relationships with us and the profitability of those relationships, including through the Investment Advisory Agreement and the Administration Agreement;
- information about the services to be performed and the personnel performing such services under the Investment Advisory Agreement;
- the organizational capability and financial condition of GSV Asset Management and its affiliates;
- GSV Asset Management's practices regarding the selection and compensation of brokers that may execute our portfolio transactions and the brokers' provision of brokerage and research services to GSV Asset Management; and
- the possibility of obtaining similar services from other third party service providers or through an internally managed structure.

Based on the information reviewed and the discussions, the Board of Directors, including a majority of the non-interested directors, concluded that fees payable to GSV Asset Management pursuant to the Investment Advisory Agreement were reasonable in relation to the services to be provided. The Board of Directors did not assign relative weights to the above factors or the other factors considered by it. In addition, the Board of Directors did not reach any specific conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the Board of Directors may have given different weights to different factors.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, the Company's directors and executive officers, and any persons holding more than 10% of its common stock, are required to report their beneficial ownership and any changes therein to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based solely on a review of copies of such reports and written representations delivered to the Company by such persons, the Company believes that there were no violations of Section 16(a) by such persons during 2010.

Audit Committee Report

The Audit Committee of the Board of Directors of GSV Capital Corp. operates under a written charter adopted by the Board of Directors. The Audit Committee is currently composed of Messrs. Potter, Flynn and Spreng.

Management is responsible for the Company’s internal controls and the financial reporting process. The Company’s independent registered public accounting firm is responsible for performing an independent audit of the Company’s financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee’s responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company’s independent registered public accounting firm.

Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by Grant Thornton LLP, the Company’s independent registered public accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor’s independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to subcommittees consisting of one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company’s financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has discussed with Grant Thornton LLP, the Company's independent registered public accounting firm, matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the auditors the auditors' independence. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the SEC. The Audit Committee also recommended the selection of Grant Thornton LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012.

Respectfully Submitted,

The Audit Committee

Mark W. Flynn, Chairman

Leonard A. Potter

**THIS PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF
GSV CAPITAL CORP.
FOR THE ANNUAL MEETING OF STOCKHOLDERS
JUNE 5, 2012**

The undersigned stockholder of GSV Capital Corp. (the "Company") acknowledges receipt of the Notice of Annual Meeting of Stockholders of the Company and hereby appoints Michael T. Moe and Stephen D.
